

# Spiritual Powers in Humankind

## Speaker

Trần-Thi-Kim-Diêu has a post-graduate degree from Montpellier University (France) in Pharmaceutical Engineering while she was working the subject of foam, then on homeopathy related with bio-chronology. She trained herself on human psychology with applied astrology, amounting to counselling in life orientation.

Currently chairperson of the Council of the European Federation of the Theosophical Society (EFTS), Kim-Diêu is former chairperson of the Naarden ITC Council and former General Secretary of the French Section of the Theosophical Society (Adyar). She gives lectures, courses and seminars, and coordinates spiritual silent retreats on the Ageless Wisdom in a great number of countries, showing that spiritual life cannot be separated from ethical daily living and meditation.

She has conducted several Schools of the Wisdom and retreats at the ITC:

*Examining Mahayana Buddhism and Jiddu Krishnamurti's teaching, a theosophical exploration into Insight and the nature of Emptiness* (2006)

*Ways of meditation* (2008)

*Steps of Spiritual Realisation* (2009)

*Entering the Stream of Learning* (2010)

*Discovering Silence and its Deeper Aspects, a Meditation Retreat based on the Meditation Diagram of H.P. Blavatsky* (2011)

*The Paramitas or Transcendental Virtues, a Silent Retreat based on The Voice of the Silence* (2012)

*Viveka Chudamani, The Crest Jewel of Discrimination, a Silent Retreat* (2013)

*The Siva- Sutra, a Silent Retreat* (2015)

## Spiritual Powers in Humankind

This seminar is a follow-up of the talk by Kim-Diêu on June 14<sup>th</sup> 2020 at the International Symposium *The Science of Powers Latent in Humankind* where she talked about *Spiritual Powers Latent in Humankind: What Spiritual Powers are there? How can they be activated?*

During this seminar *Spiritual Powers in Humankind* of 15 till 18 June 2020, a series of important questions will be explored to set the mind in motion towards spiritual growth:

*What is a human being?*

*What is evolution in the theosophical perspective?*

*What is the Universe? (its manifested 'side', the 'other side', and its real structure).*

*The question of 'matter' and that of 'space-time'.*

*What is the relationship between the Universe and a human being?*

*What are the powers latent in a human being?*

These questions will be more deeply developed during the seminar and explanations on some practice of meditation will be given.

## The International Theosophical Centre

The International Theosophical Centre (ITC) aims to foster the principle of Universal Brotherhood and Peace, under the inspiration of the highest human values, with the will to serve the world under the perspective of Oneness of Life in all living beings.

The ITC aims to be an active and inspiring spiritual centre, contributing to the service of the world, and the uplifting of mankind in particular. The ITC therefore invites people at the Centre to work on the process of human regeneration through individual transformation.

Any stay at the Centre is meant to promote quietness of mind, peace, and a harmonious life. Therefore smoking, or using drugs on the estate is not allowed; furthermore, only vegetarian meals and non-alcoholic beverages may be consumed.

Considering its three declared Objects, **the Theosophical Society's Mission Statement** was approved by its General Council as follows:

***To serve humanity by cultivating an ever-deepening understanding and realization of the Ageless Wisdom, spiritual self-transformation, and the unity of all life.***
